

WOODBURY DERMATOLOGY

MEDICARE & INSURANCE COVERAGE DISCLAIMER

Woodbury Dermatology is a dedicated medical and surgical practice. **We provide NO cosmetic procedures or aesthetic sales.** All services provided are strictly for medically necessary dermatology conditions.

Insurance Billing: We proudly accept Medicare, Aetna, and secondary supplementary insurance plans. Patients are responsible for any co-insurance, deductibles, or non-covered clinical path services as outlined by their network provider policies.

External Lab Fees Notice: If a clinical skin biopsy or tissue extraction is performed, the specimen must be processed by an external pathology laboratory. This specialized laboratory operates independently and will bill your insurance/Medicare separately for their diagnostic interpretation services.

This is for informational purposes only. For medical advice or diagnosis, consult a professional. AI responses may include mistakes.
